VICTORY FOR THE RAILROAD.

Judge Goff Enters Such a Decree in the

Judge Goff, of the United States Circult Court, left the city yesterday fter holding a short term of his court. A large number of lawyers, many of them from a distance, were in attendance upon the court. Among the latter were ex-Secretary-of-the-Treasury Bendamin H. Bristow, Francis Lynde Stetson, and Henry Crawford, of New York: Hugh L. Bond, Jr., of Baltimore, and Colonel Charles Price, of North Carolina. The principal business before the court was the settlement of various matters connected with the sale of the Richmond and Danville railroad, and a great number of orders were entered. No case was tried, and but one decision rendered. This was in the case of C. C. Patterson's administrator against the receivers of the litchmond and Danville Railroad Company. Patterson, who was a brakeman in the employ of the receivers, was killed while so engaged, and his administrator seed, claiming that the receivers were disble because of defective condition of the car on which he was at work at the time of his dyath, and in consequence them from a distance, were in attend-

of which defect the secident occurred. Two trials were had before juries, and at each trial a verdict was returned in favor of the plaintif for \$5,000.

On a motion before Judge Goff to set aside the verdicis and dismiss the claim of Patterson's administrator it was decided by his orimon that there was no ground for recovery, and so a decree was entered in favor of the railroad. Hon, J. T. Allen, of Tennessee; S. S. P. Pattesson, and Archer Anderson, Jr., appeared for the administrator of Patterson, and B. B. Munford for the railroad receivers.

An Exchange of Pulpits.

This week's Central Presbyterian says:
The eighteenth anniversary of the Monumental Episcopal church, Richmond, will be celebrated on Sunday, December 20th. At the afternoon service the Rev. Dr. Hoge will deliver an address, omitting the services in his own church. On the following Sunday, January 6th, in the afternoon, the Rev. F. S. Stickney, of the Monumental church, will make an address at Dr. Hoge's church, omitting his own service at that hour. This is an exchange that is characteristic of church change that is characteristic of church relations in Virginia, and is every way profitable. It is specially suitable as a memorial of the relations of Parsons Buchanan and Blair when Monumental church was built.

Does economy bore you?

It ought not to, always. Take the matter of washing with Pearline, for instance. That is a pleasant economy. There's your work made light and short for you; and while your doing it, in this easy, pleasant way, you can be thinking of the actual money that you're saving by not rubbing things to ruin, as in the

That ought to be pleasant to think of, whether you're doing the work yourself, or having it done. Millions use Pearline.

Send Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, and if your grocer sends you something in place of Pearline, be honest—send it back, 431 JAMES PYLE, New York, (Th SatTu)

CHICAGO PRODUCE MARKET.
CHICAGO, ILL., December 19.—Buying of wheat by New York during the last thirty or forty-five minutes of to-day's session was the only event of note in to-day's trade in that market. Previous to that time a range of ½c. was wide enough to accommodate the business. Nor was the news anything more than of the ordinary routine character. May wheat opened at from 55½655¼ to 55½c., and closed at 55½c.—i.c. higher than yesterday, the gain being all made near the close. Cash wheat was dull and easy, the nominal closing being quotably firmer, with the futures.
Corn was influenced by the weather, and by the receipts, which ran over the estimate to-day, with a further increase in the arrivals promised. The final improvement in wheat worked a partial recovery in corn, but the close was still under yesterday. The withdrawais from store were 2,76 bushels, and there were 12,342 bushels at the seaboard. May corn opened at from 4942494 to 494c., declined to 4846 485c., and closed at 494c.—4464c. under yesterday. Cash corn was easy to ½c. per bushel lover.
Oats declined fractionally, with corn, CHICAGO PRODUCE MARKET.
